

QUARREL CAUSED BY DOG'S VOICE

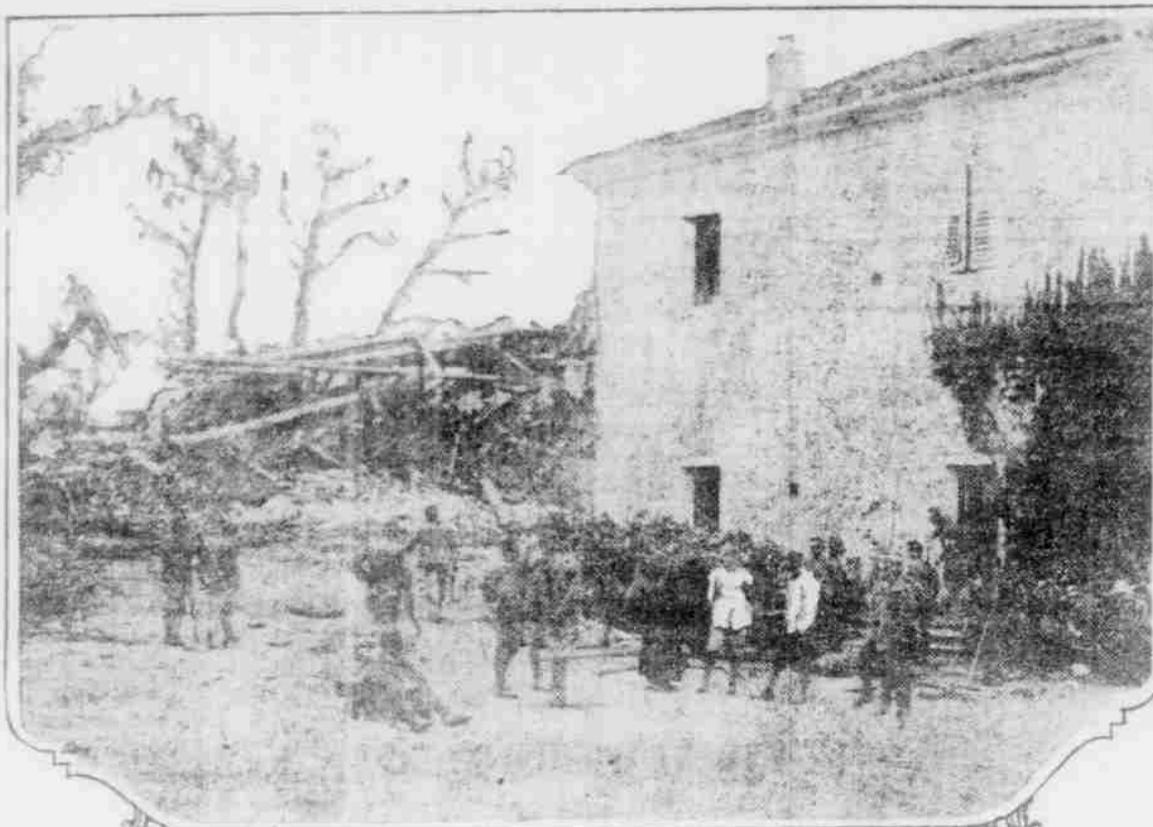

Joe King Has No Likin' for Serenaders and Has Alphonse Hauck Arrested Following Argument.

Magistrate Frank Gustafson in Moline police court this morning heard a case which was the result of disagreement on the part of Alphonse Hauck and Joe King in regard to the musical qualities of a dog's voice, which it seems grated on King's ears. A dispute occurred that prompted Mr. King to swear out a warrant for Mr. Hauck, charging the latter with disturbing the peace. At the hearing Magistrate Gustafson assessed Hauck \$10 and costs, but suspended the fine.

Carl Samuelson and Ira Wright were taken in custody yesterday as an aftermath of the arrest the night before of Maggie Evans and Hannah Anderson. All arrests were the result of alleged disturbances in a house at Fifth Avenue and Thirty-seventh street, Moline. The women were fined yesterday. Samuelson and Wright will be tried Monday.

SIBONEY BAY CAMP PLANS A NEW ORDER

A special social meeting will be held tomorrow night at Hotel Harms by the Siboney Bay camp No. 8, United Spanish War Veterans, at which time a local lay of the Military Order of the Serpents, which is a secret social society of the war veterans will be organized. Leslie G. Snyder, Davenport, "Grand Old Guard Grandetissimo," will be the guest of honor. Commandant John W. Carse will be in charge of the meeting. The Order of Serpents had its origin in a peculiar rate of the natives of the Philippines, which the soldiers learned while in the islands. During the state meetings here last spring members of the order paraded the streets with a high snake king acting as accompanist.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed With Sulphur It Brings Back Its Lustre and Abundance.

Gray hair, however, handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears, after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.
